Are You Looking for an Opportunity to Give Back to Your Community?

We need YOU! Your PCa Support Group leadership team is seeking two interested members (men with prostate cancer, partners and/or family members, friends and interested persons) to consider joining us by volunteering on our Board of Directors for 2018/19. The Board is responsible to focus our energies and talents as a support group. New directors bring important ideas and fresh perspectives that sustain and advance our mission.

The Board meets regularly (9:30am-11:00am) two weeks prior to the Support Group Meeting which is the second Thursday evening (7:00pm-9:00pm) of most months.

Our members and leaders freely share their own stories but do not give medical advice. In any and future conversations, with an engaged membership and leadership we can reasonably expect to be treated with dignity and respect.

Please contact our Co-chairs, Bob Terichow (306)581-9158 or Lawrence Ward (306) 543-8215 for more information about nomination as a director at our upcoming Membership Appreciation and Annual Meeting in June.

The Regina Prostate Cancer Support Group is regional, community-based organization of volunteers whose mission is to increase awareness of prostate cancer, provide access to information, and promote courage and hope for people living with prostate cancer.
